TITLE: User Interface For Simultaneous Duplicator Scheduling

August 4, 2004

DECLARATION OF KEITH BRAUNWALDER UNDER
37 C.F.R. § 1.131

1. I am one of the inventors of the subject matter claimed in the patent application identified above. My co-inventor Jeffrey Aguilera is no longer employed by Hewlett-Packard Company and, therefore, he is not available to assist with this Declaration.

2. A copy of the Invention Disclosure No. 10002629 is attached to this Declaration as Exhibit 1. As noted on the Invention Disclosure and as illustrated in Fig. 1 of the Disclosure, by March 2000 we had developed and built a user interface that simultaneously displayed selectable menu items/icons each representing a different duplicator along with a separate selectable menu item/icon that when selected actuated the duplicator(s) represented by a selection of the first menu items.

3. All of the activities related to this invention took place in the United States.

I declare that all statements made in this Declaration of my own knowledge are true and that all statements made on information and belief are believed to be true, and further that these statements were made with the knowledge that willful

false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the patent application or any patent issued on that application.
